

Cabinets & Enclosures

Quick Mount Cabinets & Accessories

Features

High Quality Cabinet for installation of Nexans Cabling Solutions Products.

Extremely easy and fast to install and hence very cost effective, thanks to

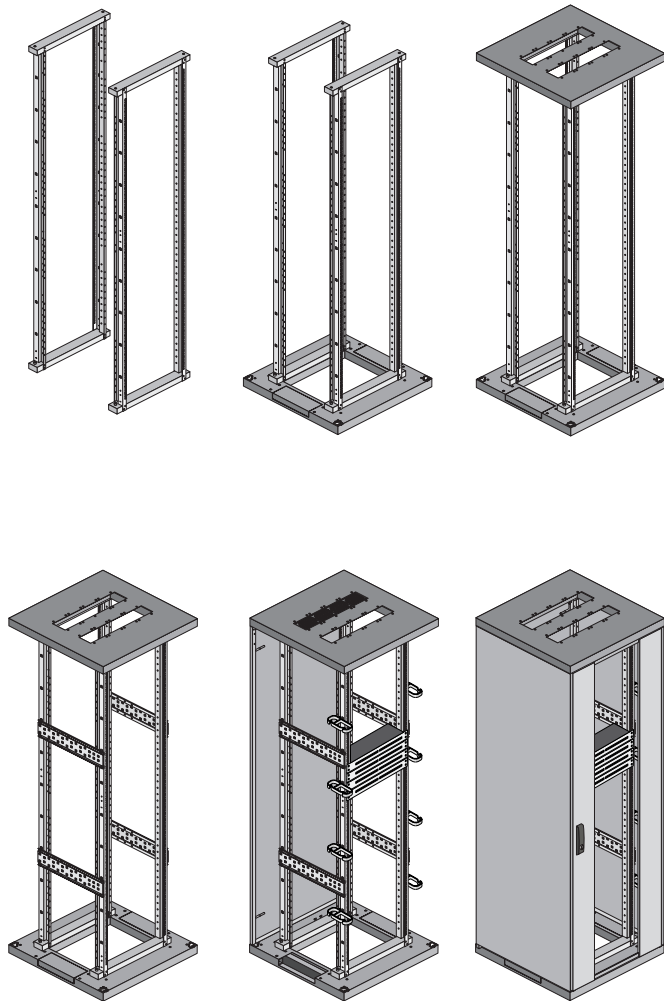

- delivery in separate parts which can be handled by only one person
- fast and flexible mounting within a few minutes
- open structure which allows a free accessibility from all sides
- easy to add or remove products after the cabinet has been installed
- automatic earthing
- easy to add extensions or to replace panels
- only one standard tool required
- no small loose parts
- secure your installation : open door with eurolock and inside opening system for side panels

Light weight cabinet.

All parts are packed in 6 small boxes which are very easy to manoeuvre.

Several accessories are available for enhanced functionality.

Door in tinted safety glass.

Easy and fast to install
